

ATM MANAGED SERVICES

Eliminate the Burden of Maintaining Your ATM Fleet

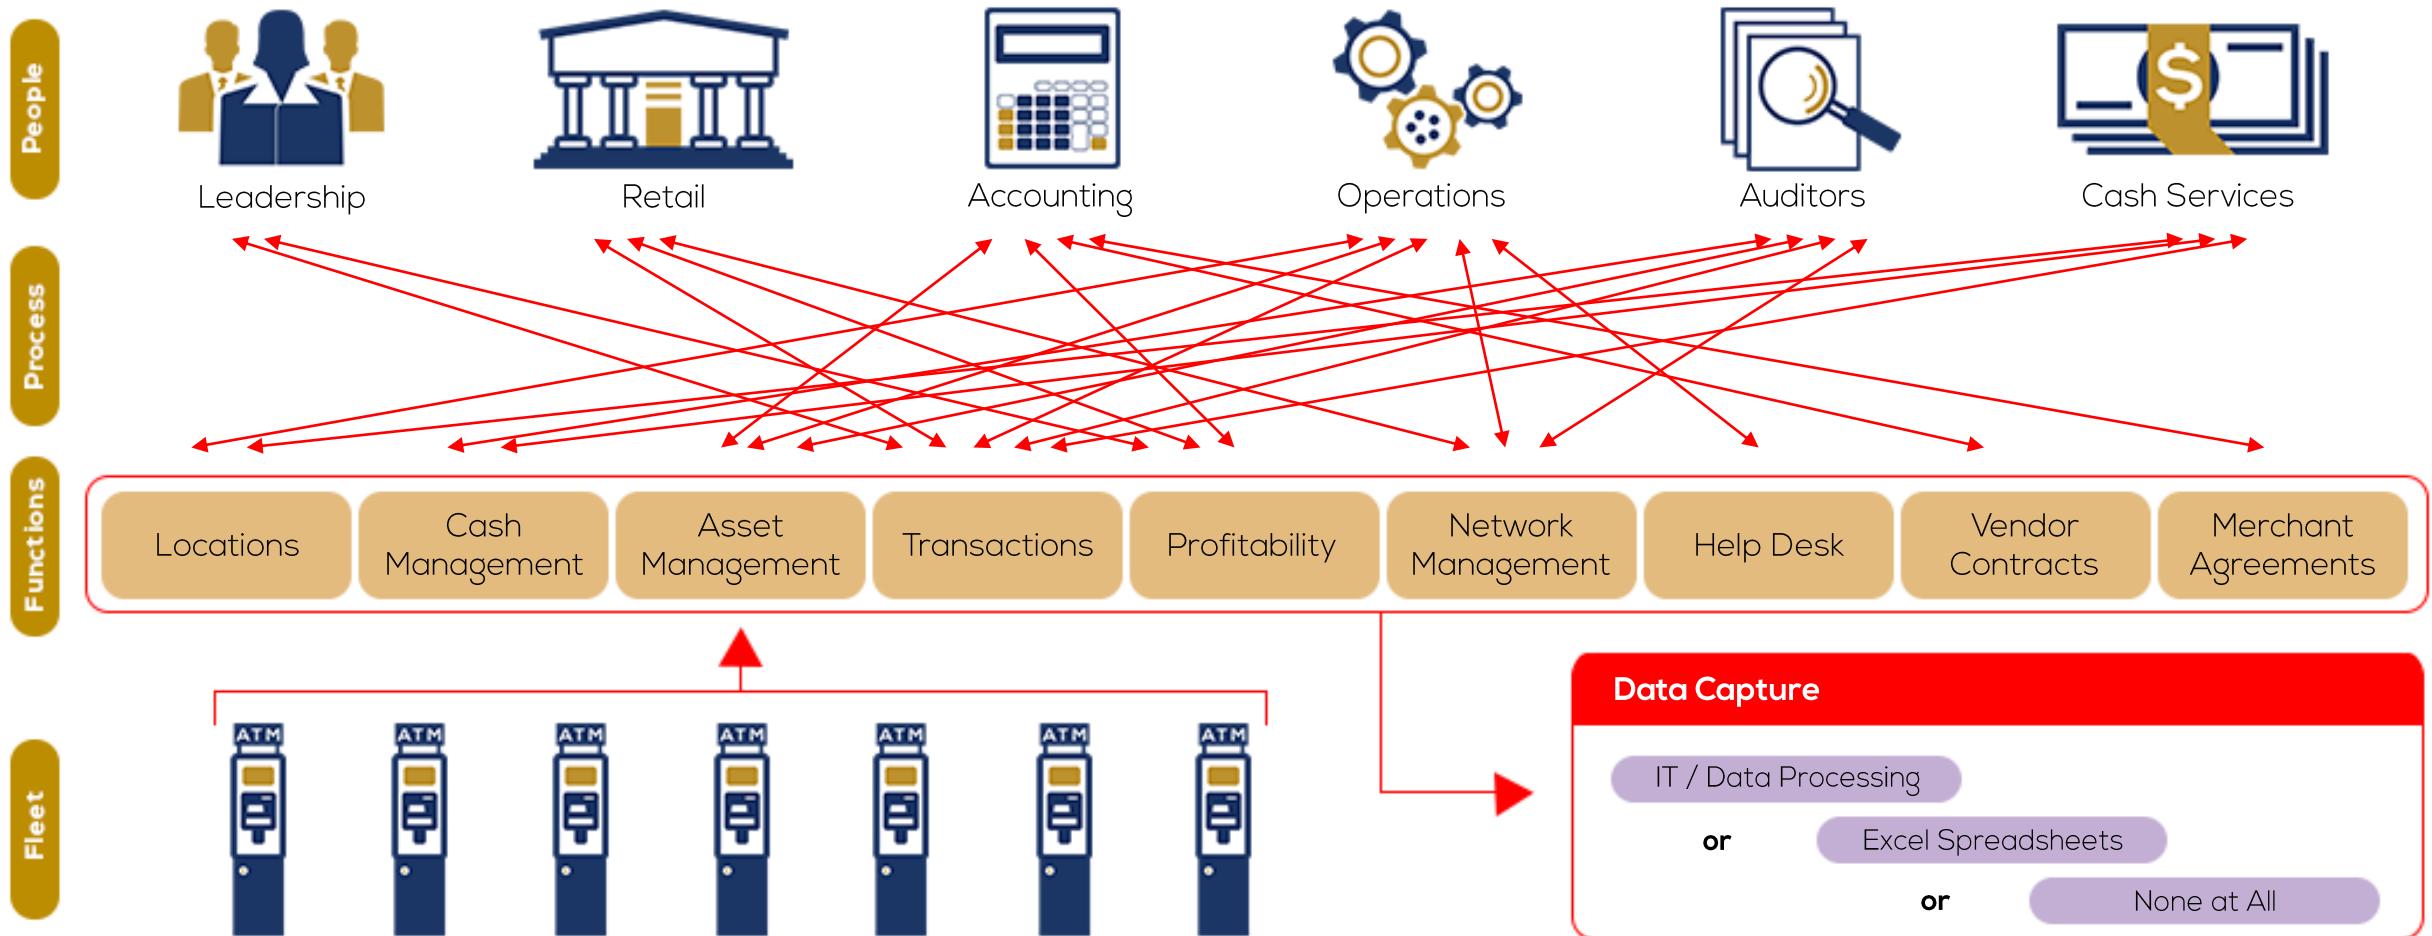

May 3, 2019

The Struggle is Real with ATM Management

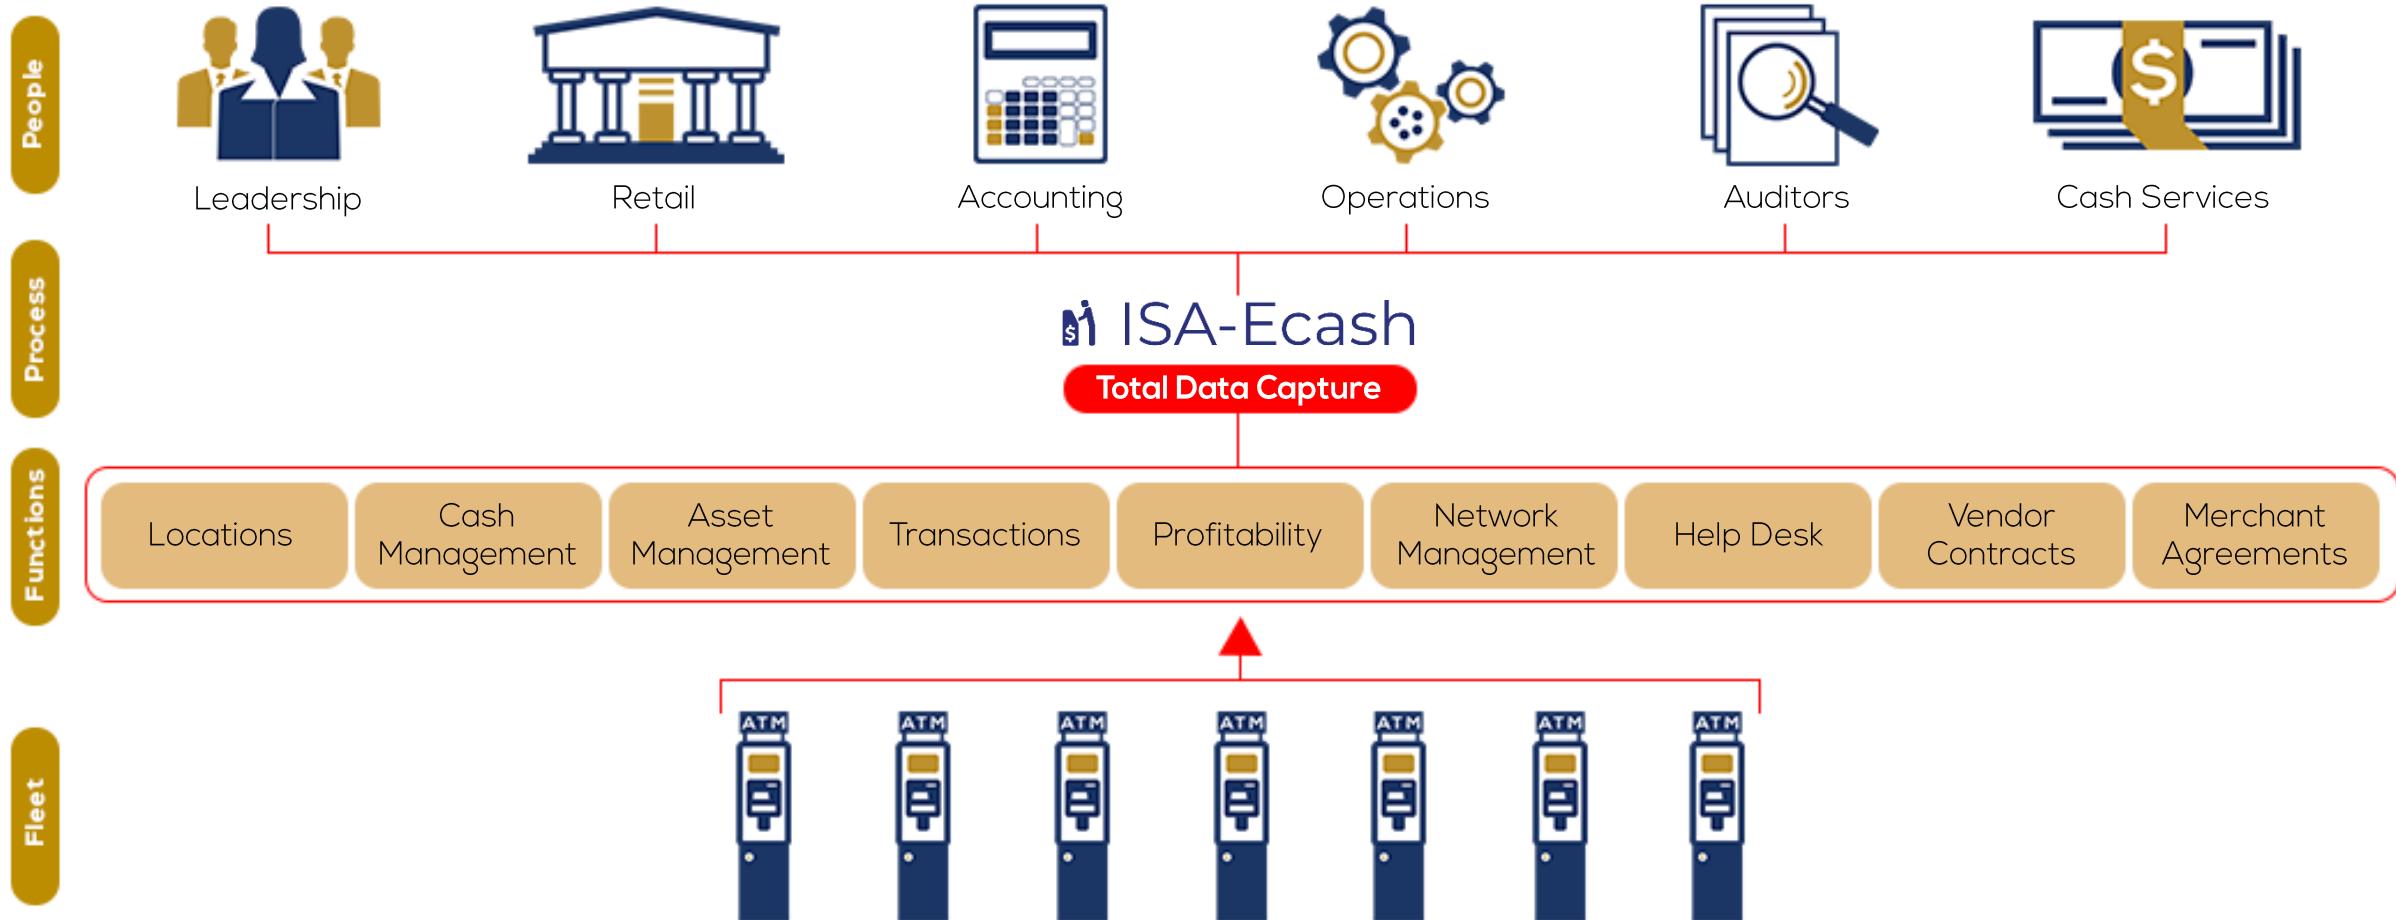

- Huge financial and operational commitments
- Unplanned costs due to constantly evolving requirements
- Resources not focused on growing the business
- Endless headaches from changing technology, regulatory compliance, and ongoing fraud prevention

Typical ATM Management Ecosystem

ATM Management Ecosystem with Expert Outsourcing

Expert Outsourcing with ISA-Ecash

- Eliminate **all ATM headaches** while maintaining your brand value and customer relationships
- Lock-in fixed costs and avoid **ALL surprise expenses**
- Reallocate ATM resources to projects that grow your business like:
 - Online/mobile solutions
 - Providing loans and financial services
 - Delivering amazing in-branch customer experiences

Solutions for Financial Institutions

- **Swap**
 - Outsource any or all of your existing ATMs
 - Maintain quality customer-brand relationships
- **Expand**
 - Add new branded Points of Presence for you or at your customer locations
 - Increase cardholder exposure and overall marketing promotion effectiveness
 - Eliminate capital expenditures while still meeting cardholder demands for more options in accessing available cash

 - Maintaining your ATM fleet
 - Cash management, forecasting, and settlement
 - Vendor management
 - Evaluating required hardware upgrades
 - Compliance issues and risk management
 - Device monitoring
 - REG E research
 - Operational reporting

Client Testimonials

“The competitive advantage ISA-Ecash and its services provide us in attracting new customers has permitted us to grow with very little expense.”

— James Golden
VP Retail Banking

“ISA-Ecash understood the importance of our commitment to the University of Connecticut and their football program and did what most thought was impossible, deploying three ATMs within 5 days ahead of the UConn Huskies home opener. It's because of their demonstrated attention to detail and excellent service that I look forward to working with them as new opportunities arise.”

— Eric M. Schwab
EVP Bank Operations
